Report of Social Science Forum

The Social Science Forum of the college was officially inaugurated on January 10, 2024, marking a significant milestone in the institution's academic journey. The launch event featured a thought-provoking lecture by Dr. Deepak Pawar, Professor and Head of the Department of Civics and Political Science at the University of Mumbai, on the contentious issue of Maratha reservation. Dr. Pawar's lecture provided a comprehensive historical context, delving into the complexities of the Maratha community's leadership, political representation, and economic stratification. The talk was followed by question-and-answer session.

Principal Dr. Jaswandi Wamburkar warmly welcomed attendees, including students, faculty members, and distinguished guests. In her address, she elucidated the rationale behind establishing the Social Science Forum. The forum aims to create a vibrant platform for interdisciplinary discussions, fostering collaboration and knowledge-sharing among the college's six social science departments. This initiative seeks to promote a deeper understanding of contemporary social issues, encouraging diverse perspectives and insights.

Dr. Sonakshi Vichare, (Head Department of Sociology) skilfully moderated the program. The event attracted a sizable audience of around 80 students and faculty members from the college and Mumbai University's Political Science Department, reflecting the keen interest in the topic. Dr. Ram Pradhan (Head Department of History) proposed vote of thanks to the speaker, organizers, and attendees. The success of the event was also attributed to the creative and publicity efforts of faculty members Chitra Lele and Aditi Nate.

The inauguration of the Social Science Forum marks a significant step forward in promoting academic excellence, interdisciplinary collaboration, and critical thinking. As the forum continues to host engaging events and discussions, it is poised to become a hub for intellectual exploration and growth, enriching the academic experience for students and faculty.
