## **Principal's Foreword**

Azadi ka Amrut Mahotsva, as we all know, is a celebration planned all over the country to commemorate 75 years of India's independence from colonial rule. The official programme began on 12th March 2021 and will conclude after 75-weeks on 15th August 2023. This initiative, is not limited only to official celebrations of the government of India but has spread through the wider public through programmes and events in offices, educational institutions and other civil society organizations.

I am very proud to showcase the set of activities initiated in our college to commemorate India's independence. Various departments of our college have organized a series of activities- seminars, exhibitions, visits as well as competitions on the themes identified by the government. In this booklet, you will see glimpses of our students enthusiastically participating in various events-peace rally, cleanliness drives, heritage walks, among various activities. I am sure this enthusiasm will sustain through 2022 and 2023 and we will continue to present innovative programmes and achieve new milestones as we progress towards the next stage of Amrit Kaal.

Best wishes to all our readers!
